It's just the beginning!

International  **CTIA WIRELESS 2010**
A Division of CTIA-The Wireless Association®

MARCH 22, 2010: PRE-CONFERENCE SEMINARS
MARCH 23-25, 2010: EXHIBIT FLOOR, KEYNOTES,
SESSIONS AND PARTNER CONFERENCES
Las Vegas Convention Center
Las Vegas, NV, USA
www.ctiashow.com

Make Your Decision Count...

As the marketplace changes and the wireless industry continues to evolve, new demands will arise presenting tremendous opportunity for new technologies that will deliver faster speeds, more access, better content ... a high-definition user experience.

For 25 years, CTIA WIRELESS has been THE premier marketplace representing all things wireless. With increased international representation, new showcases and pavilions, exciting product announcements, and your participation, 2010 is guaranteed to be another crucial and groundbreaking event for the industry.

Sign up now for the most important global technology event of the year, International CTIA WIRELESS 2010, and position your company as part of the future of wireless and broadband communications.

KEY SHOW STATS:

The International CTIA WIRELESS show is the largest wireless event representing the most dynamic segments of the telecom industry: wireless and converged communications, mobile Internet, computing and mobile data.

- Drawing tens of thousands of qualified attendees every year
- Occupying more than 300,000 sq. ft. of exhibit space
- Hosting over 1,000 exhibitors
- Attracting more than 1,000 press and analysts worldwide
- Offering top-level speakers and the most comprehensive educational programming in the industry

Exhibitors

WIRELESS...a \$1 trillion marketplace

Your competitors, partners and customers covering all segments of the wireless, broadband, convergence applications and Internet industries use International CTIA WIRELESS as their mobile marketplace.

According to surveys conducted by a leading industry trade publication and an independent third-party:

CTIA WIRELESS ranks #1 above leading domestic and international tradeshows on the following:

- The most important technology event of the year
- ROI
- Best conference programming and information

The majority of those surveyed by a leading wireless industry publication indicated they would choose CTIA WIRELESS if they had to choose ONLY ONE EVENT to attend.

Press

What do members of the Press say about International CTIA WIRELESS events?

"The CTIA tradeshow... was chock full of announcements..." — Ed Hardy, Brighthand

"...the wireless industry is resilient enough to weather the turmoil in the financial and housing markets with some ease." — Chetan Sharma, Chetan Sharma Consulting

"As the biggest mobile gathering in the United States, CTIA is the place for manufacturers and developers to razzle and dazzle, and they're doing a pretty good job." — Lindsey Turrentine, CNET

Media Coverage

THE WALL STREET JOURNAL

The International CTIA WIRELESS show attracts 1,000 members of the press—more than any other wireless tradeshow. Notable media organizations such as the Associated Press, *BusinessWeek*, CNBC, CNET, CNN, Dow Jones, Engadget, GigaOM, *Financial Times*, *Forbes*, *Fortune*, *Money Magazine*, *The New York Times*, Reuters, *Smart Money*, TechCrunch, *USA Today* and *The Wall Street Journal*, view the International CTIA WIRELESS show as the definitive source for breaking news on the wireless industry. Every year, hundreds of stories are generated from the show...yours could be next.

Attendees

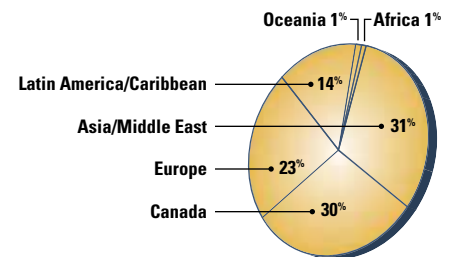

Key Attendee Facts

- Top five attendee interests are: wireless services, mobile entertainment, 4G, wireless handhelds/PDAs/Smartphones and wireless content.
- 96% are executives/senior managers and 79% are involved in purchasing decisions.
- The majority of attendees thought the exhibit floor was representative of the full scope of the wireless and telecommunications industry.

Attendees from over 125 countries around the world converge at International CTIA WIRELESS. With the continued endorsement of the U.S. Department of Commerce, international participation is growing strong.

CTIA WIRELESS 2008 International Registrants by World Regions (Statistics Based on the 16% of Total Which Were International Registrants)

Attendees' top 5 reasons for attending International CTIA WIRELESS are to:

1. Learn more about emerging technology
2. Learn more about current products
3. Develop new business partnerships
4. Develop business leads
5. See exhibit floor

Source: Independent Attendee Research Study by PMI

Industry Stats & Figures

Analyst firm Berg Insight predicts 186 million machines will be connected to wireless networks by 2012, up from 37.5 million connections in 2007.

According to a new research report from the analyst firm Berg Insight, technologies such as NFC are enabling a completely new segment of mobile applications—proximity services or local services.

Informa forecasts that annual expenditure on Mobile Advertising will reach \$11.4 billion by 2011. Other analysts predict the market will be as big as \$20 billion by then.

General Information

LOCATION

Las Vegas Convention Center
Las Vegas, Nevada, USA

DATES

Pre-Conference Day: Monday, March 22, 2010 (no exhibits)
Tuesday, March 23, 2010
Wednesday, March 24, 2010
Thursday, March 25, 2010

Exhibit Space Rental Information:

CTIA Member

\$30 per square foot plus a \$200 charge for each corner.

Non-Member

\$40 per square foot plus a \$200 charge for each corner.
Special pavilion pricing may differ from above rates.

Initial assignments are based on previous participation in this event. The International CTIA WIRELESS 2010 exhibit space rebook took place on March 30–31, 2009 and was open to all companies that submitted an application and deposit by the March 13, 2009 deadline. All remaining space will be assigned on a first-come, first-served basis. Contracts for exhibit space must be signed and accompanied by the appropriate deposit: 50% for contracts received prior to January 4, 2010; 100% for contracts received on or after January 4, 2010. CTIA Members must be in good standing and must have paid their annual dues prior to space assignment confirmation. Payment of one full year's dues is required to qualify for the Member Rate. If dues and assessments are not current, the exhibit space rate will revert to that of a Non-Member. CTIA reserves the right to determine eligibility of an exhibitor prior to or after the execution of the exhibit space contract. International CTIA WIRELESS is a trade event, therefore to exhibit, your company's products, solutions, and/or services must be specifically designated for or customarily used in the wireless, telecommunications, I.T. or associated industries.

EXHIBITOR MEETING ROOMS

Many exhibiting companies hold meetings in conjunction with International CTIA WIRELESS 2010. Located in the central hall of the convention center, these meeting rooms will give you a quiet place to meet and greet potential new clients. The meeting rooms are limited and go fast. Please contact your Account Representative for availability and pricing.

CTIA Wireless Industry Directory (WID)

CTIA's Wireless Industry Directory lets you reach thousands of industry professionals, journalists, and analysts around the globe 24/7. Be part of the wireless industry's most respected web site — www.ctia.org. For only \$800, have your company listed on the Wireless Industry Directory and receive industry wide exposure and numerous benefits. For more information and to sign-up contact your account representative.

PAVILIONS

Special Interest Pavilions (SIPs)

CTIA is pleased to host several Special Interest Pavilions (SIPs) at the International CTIA WIRELESS 2010 show, such as: Accessories Pavilion • China Pavilion • Developers Pavilion • German-Speaking Europe Pavilion • Ireland Pavilion • India Pavilion • Korea Pavilion • Machine-to-Machine (M2M) Zone • Mobile Media Showcase • RF Microwave Pavilion • Spain Pavilion • Taiwan Pavilion • Testing Solutions Pavilion • Tower Technology Summit • UK Pavilion • Wi-Max Pavilion

Contact Patrick Flynn at pflynn@ctia.org if you are interested in organizing a new international or special interest pavilion.

Mobile Media Showcase

Introducing a special area at the International CTIA WIRELESS 2010 event, the Mobile Media Showcase, will be where attendees gather to see the latest and greatest mobile applications, content, mobile marketing solutions and more. If your products and solutions are being used on a handset or smartphone, you will definitely want to showcase to the industry your offerings from within the Mobile Media Showcase.

Contact Patrick Flynn at pflynn@ctia.org for more information.

13th Annual Tower Technology Summit

13 Years Leading the Wireless Solutions and Infrastructure Industry

While 3G services, video and ring-tone offerings offer the sizzle, the core of the wireless communications industry remains infrastructure—the personnel and partners that keep carriers communicating. The latest innovation and service offerings at the infrastructure level will be on display at the annual Tower Technology Summit at International CTIA WIRELESS 2010. From antennas and base stations, to software and mapping, zoning and site acquisition services—all focused on cell site, in-building and network infrastructure—Tower Technology Summit is the place the infrastructure community gathers. Exhibit within the Tower Technology Summit at CTIA and you will receive a special rate for your booth space, enhanced registration passes, and additional marketing exposure in the Official CTIA Show Program.

For more information, contact Lucy Green at 949.223.3630 or green@lightreading.com. Visit www.towersummit.com
